

## MISSION STATEMENT

Guardianship Association of North Dakota (GAND) is a non-profit organization of professionals, families and concerned individuals committed to supporting guardians and other surrogate decision-makers in enhancing the lives of the people they serve.

The idea of an association of concerned people who shared common concerns about the vulnerable adult population and guardianship in North Dakota began in the '80s. GAND held its first annual conference on guardianship in 1997.

GAND works to educate others regarding issues affecting vulnerable individuals and surrogate decision-making.

GAND continues to work on identifying gaps in our state law and promoting positive changes to legislation that affects vulnerable individuals in North Dakota. GAND is the strong voice that helps to represent many unmet needs of people too vulnerable to speak for themselves.
